ⁱ Notes on declaration of interest

The Code requires that, at a meeting, where a member or co-opted member has a disclosable pecuniary interest (of which they are aware) in any matter being considered, they disclose that interest to the meeting. **It is essential that members and co-opted members do this clearly, in order that the disclosure may be recorded, which will protect the member in the event of a subsequent allegation.**

The requirement to disclose such interests is applicable from 1 July 2012, whether or not the interests have been notified to the Monitoring Officer. The Council will include an appropriate item on agendas for all meetings, to facilitate this. Parish Clerks are also encouraged to include such an item on the agenda for all meetings of their council and any committees.

Although not explicitly required by the legislation or by the code, it is recommended that in the interests of transparency and for the benefit of all in attendance at the meeting (including members of the public) the **nature** as well as the **existence** of the interest is disclosed.

A member or co-opted member who has disclosed a pecuniary interest at a meeting must not participate (or participate further) in any discussion of the matter; and must not participate in any vote or further vote taken; and must withdraw from the room.

However, the requirement in paragraph **Error! Reference source not found.** not to participate does not apply in the event of a dispensation having been granted.
