Hello,

I would like to firstly introduce myself to those that are unaware of who I am.

My name is Nicky and I am the Oxfordshire coordinator for all the Good Neighbour Schemes, I took over the role back in August last year.

I work with and along VLU (Volunteer Link Up), Age UK Oxfordshire and OCVA (Oxfordshire Community and Voluntary Action)

I am now compiling a gap analysis for the whole of Oxfordshire.

I would be most grateful if you could quickly complete the attached form for me regarding your parish/town.

For all areas with no or none known GNS, I would be very grateful if you could let me know if either you have a notice board or newsletter that I could advertise the schemes on/in, or if you know of anyone who I could have contact with that may have time and capacity to start a scheme up.

I have also attached a leaflet regarding the schemes for you to look at.

Should you have any questions/concerns please do contact me.

Kindest Regards

Nicky
